# Starship: A Roblox Story

58 6 7

## Chapter 1 by johnny rock (johnnyroc04)

It was 2018, when a company called the Roblox Tactical Engineers (RTE), launched an intergalactic ship called the HSC-133 Escapade, also known as the Starship.

## Chapter 2 by Jamplays2879

the star ship was a high tech machine that had red hot blasters it could kill you in a second!

## Chapter 3 by Fabulous man

But it took a long time to load because the ammo was on earth 22,000,000,000,000,000 light years away.

## Chapter 4 by Alex the Gamer

Roblox Players could watch this amazing spaceship as it was being constructed. Millions of people came to watch the takeoff as the people inside this amazing spaceship had a youtube livestream inside.

## Chapter 5 by Jonathan Grimes

And then the party began.
